

It would be devastating to lose my connection to Klove radio by an LPFM broadcaster. I listen every day, even at work, and I know thousands of others in the Northern Colorado area do also. I have met people at concerts and we are all connected by Klove. This station provides quiet music, no commercials, and I don't have to worry about someone nearby hearing offensive language. Klove has a calming effect on me. There is no other Christian music station available in this area. I would really be lost if I didn't have Klove to listen to.
